Principal's Message

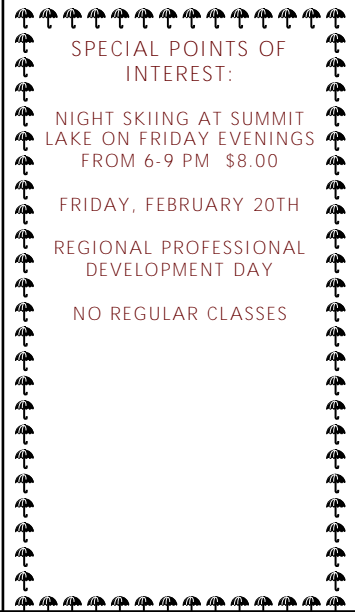

Mid-February and Second Semester already! We are starting to see some signs of spring – fog, deer on the road, and sun (well, occasionally we see sun). As these last weeks of the winter drag on toward Spring Break, we often see a decline in enthusiasm and motivation amongst our students. Please help us out by ensuring that your children are getting enough sleep and eating breakfast before they arrive at school.

I want to take this opportunity to announce my upcoming retirement. This is to be my final year at Lucerne and although I look forward to my new life, I will very much miss the students and families of Lucerne. I will keep you informed as I am made aware of the process of providing new leadership at Lucerne School.

We welcome Julia Greenlaw and Nikta Boroumand to the staff of Lucerne. These two will be working through lunch hours, assisting our regular noon-hour supervisors in their jobs and assisting in building problem-solving skills in our primary students. We are looking forward to having them work with us.

BASKETBALL NEWS

The season is nearing an end, and the most important games will be played soon.

Senior Boys: Our last home games will be played on Friday, February 13:

- 1) At 2:00 our Lakers will take on the Nakusp Cougars
- 2) At 6:00 our Lakers will host the Mt. Sentinel Wildcats

Hot Dogs, juice, muffins and popcorn will be available at the concession booth. Come to the Lucerne gym to support our team!

The boys will complete in the West Kootenay Zone playoffs on Saturday, February 21 in Salmo. If successful, they will travel to Abbotsford to play in the 'A' Senior Boys Provincial Championships from March 4-7.

Junior Girls: The season will wrap up with games in Naksup and Kaslo. Injuries and illness plagued much of January, but the girls' "second season" should prove to be competitive. The girls have been practicing hard after a player-inspired re-grouping, and their skills and plays have developed significantly. Good luck with the final games of the season!
